No 8 Grouseland 8th Oct. 1806

Dear Sir

~~You must beg this time Susp~~ ~~Your letter of the 30th Ult. I received~~ & I have no inclination to deny the charge for all my friends tell me to & what every one believes, must be true I know & what every person knows about this Week ago by Col. Vigo but as that gentleman did not give you leave to be entitled when the letter from this place the letter was returned to me. & I intend to have what-ever by Mr Gratiot but he left this place without my knowing it having called at my house when I was absent. Your letter of the 4th of April last duly received & removed every difficulty with regard to the affair of J. Harrison. indeed I never had an idea that Lt. Pike or any other Gentleman a great esteem & friendship had done any thing more in that affair than what would have been expected from the most ~~strict~~ scrupulous. Serving as an act of misconduct. such as to Impeach him Committed whilst in a Military Command & such as all men of honest minds are likely to Commit. I have appointed a

Mr Greater a Magistrate & I am very glad
to find from our mutual friend Whitlock
that he will be a great help to you - I entended
to have given him a letter to you requesting
your advice & assistance in the performance
of his duty & direction, which he may be
at a loss from his limited acquaintance with
our Language Manners & Laws - I think
that a good understanding between you
may be productive of Mutual advantage
& tend to preserve tranquility in the Settle-
ment adjacent to your post -

With much Respect & Esteem
I am Dr Sir
Your Humble Servt
Will H. Harrison
